

Jensen Lakes

Jensen Lakes Homeowner's Association Fishing Rules

- For the 2023 fishing season, only catch and release will be permitted. This is important, as it will allow our fish population (school) to grow for years to come.
- Care must be taken to release the fish safely back into the water.
- If a fish is not expected to survive, it must be removed from the lake and disposed of off-site and a JLHOA staff member must be notified.
- Members must be in good standing and their guests are permitted to fish.
- Only one rod is permitted per person.
- No unattended lines are permitted.
- Fishing is permitted in the designated area, at the end of the JLHOA pier, fishing is not permitted from the sides.
- Fish lines/hooks must not enter the designated swimming zone.
- Fishing is not permitted from the JLHOA boat dock.
- Fishing within 5m of a private or public dock is strictly prohibited.
- NO live bait or any type of food, or nets may be used to catch fish.
- Single barbless hooks only (treble hooks are not permitted).
- Absolutely no LEAD weights are permitted in the lake for environmental reasons.
- Members must leave their membership card with the appropriate JLHOA staff member to check out JLHOA fishing equipment; users must be 12 years of age unless they are accompanied by an adult.
