New Resident Information

Welcome to Jensen Lakes!

Jensen Lakes is a unique community that currently features a private lake for residents and their guests. Future development will include an exclusive beach club with a variety of additional privileges.

If you are new to the community, whether you are a homeowner, a tenant, or qualify for “pre-possession access,” membership has certain requirements. Below outlines the information you will need and who to contact to get you started.

Please visit www.jensenlakeshoa.ca/about-jlhoa/membership-information for more information and to download the required forms.

If You Have Recently Purchased From a Builder in Jensen Lakes but Have a Future Possession Date

You qualify for **Pre-Possession Access**.

Once you or your builder have provided Core with the required paperwork, you will be given online access to purchase a Pre-Possession Pass. These passes can be purchased on a month-to-month basis, and each pass expires 30 days after the purchase date.

Start by contacting Core Real Estate Group at info@coremanagement.ca or call **780-651-1577**.

We will need:

- A copy of your purchase agreement from the builder
- A completed Membership Information Form (available on our website)

Please notify Core immediately when you take possession of your new home. If any fees are due at that time, you will be invoiced accordingly and then provided with your permanent membership card.

Important Note: Permanent membership cards will not be issued until you have taken possession of the property. It is the responsibility of the Property Owner to inform the JLHOA and Core Management of the possession date or any changes to the property. Owners are also responsible for the pro-rated HOA fees from the date of possession to the end of the year, and these fees must be paid before full membership will take effect.

If You Have Purchased in Jensen Lakes and Taken Possession of Your New Home
